

AWARENESS USA

**Academic Guidance and Life Skills Building
Program for Disadvantaged Students**

Free Homework Help Grades 7-12

At Awareness USA, our goal is to provide flexible tools for students and families to help each child overcome academic obstacles. We offer a student-centered educational experience to empower disadvantaged kids to excel in their studies and succeed in life.

Those who qualify receive:

- On-demand Homework Help
- Professional Tutoring
- Longitudinal Mentoring
- Community Building Events
- Assistance with College/Vocational Paths
